L'Assassin qui parle aux oiseaux

By Servais

Publisher: Dupuis Genre : **Drama** Albums rights sold in:

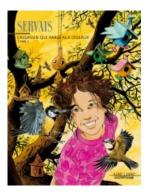

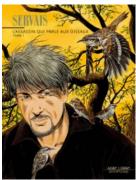

Pursuing his ideas from his very first books, Servais continues his exploration of human workings, using a rural setting where humans' relationship with nature is direct and on a daily basis. Servais offers a revelation of the human soul and a deep analysis of its behaviour. For this new and enchanting story, Servais uses the bird symbolism strongly anchored in the people's tradition.
