## Le carnet des petits radis

By Héloïse Solt & Le Guen

Publisher: Little Urban Genre: Picture Books

**RELEASE** 08/03/2024

Camille is eleven years old. He moved to Rennes at the start of spring break. He's not looking forward to his new school. He's not looking forward to his new class either. But his new hobby might just change his mind: he's started growing radishes, noting his observations in a notebook every day... Nature has its share of surprises and beautiful encounters in store for him.
