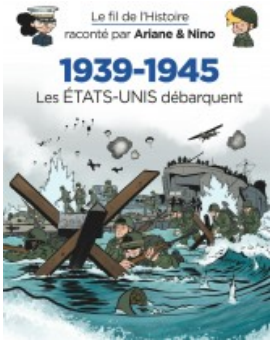
This is an educational collection for young readers interested in history. Starting out with a
real-life situation (such as a snowball fight in the yard), Ariane and her little brother Nino get
talking about historical subjects. Each subject is covered in 32 panels, followed by educational
appendices to complete the discussion (portraits of historical figures, maps, timelines, etc).

In this series

La Tour Eiffel



1939-1945 – Les Etats-Unis débarquent

1939-1945 – Le Royaume-Uni dernier rempart de l'Europe

1939-1945 – Le Japon dans la guerre jusqu'au bout
