**RELEASE**  
27/01/2012

"The Little Circus," a major hit from the artist Fred, has been republished in a whole new version totally remastered from the originals. "The Little Circus" was first published in the Hara-Kiri review, and was then published as a full album in 1973. This title sums up the ensemble of Fred's artwork: poetic, surrealist, melancholic, cruel and touching all at the same time.
