## Le Roi Louve

By Adrián & Alibert & Lapière

Publisher: Dupuis

Genre: Fantasy & Esoteric

15/09/2023

Petigré will be 17 years old on the next moon and will finally be at an age where she must choose what sex she wants to be for the rest of her life. Her father, the King of the Wolves, demands that it be male because no woman has ever presided over the Wolves. Petigré, however, wants to remain a girl... This choice will change her life and that of her people, but also that of the Humans, the Tometeu, the region, and the entire world... Until, from Eternal Hell, an innocent man is reborn who possesses the secret to a new more equal civilization!
