Arthur has just moved to the valley of Mitaines, where all the inhabitants gain a power on reaching adolescence – albeit one of varying practicality. On his first day at his new school, Arthur learns that a student has mysteriously disappeared. His curiosity is piqued, and with the help of his new friends – the amusing Pélagie, the intriguing Kitsu, Gonzague, the genius of the group and his faithful companion Willo – he decides to track down the culprit.

HA HA HA! Oui! C'est le grand clown qui s'habille avec un sac à patates et qui pète tout le temps?

Mais si, si, j'vois bien! Celui qui s'met du fenouil dans les trous d'oreille et qui veut tout l'temps qu'on l'appelle Roger?!
