Le Voyage aux origines

By Lambert & Textoris

Publisher: Le Lombard Genre: Action & Adventure

26/09/2014

It's the 19th century, and the world is in a state of rapid change, constantly pushing the boundaries of human knowledge. Edward, a gentleman scientist, is searching for the origin of his species. A passionate dreamer, he longs to find and understand the source of the tiny spark that burns inside each of us. Accompanied by his butler and his dog Floch, Edward sets out on an incredible adventure, which will take him far beyond anything he ever dreamed... He will discover a world where reality and fiction \min , and, there, will come to realize that the origins of Man may not lie where he expected to find them.
