Ruben Pellejero ("Un peu de fumée bleue", "Le Tour de Valse") brings his amazing palette to bear on a new "Secrets" story (the series started by Frank Giroud). Family secrets have a touch of revolution about them this time: the Commune, the Impressionists and more.

This new two-parter is helping the "Secrets" series make further progress. The welcome given to the first two cycles has been extremely encouraging, and bodes well for this new tale.
