Leonard is a genius. At least that's what he thinks! A hilarious caricature of the famous Leonardo Da Vinci, a man best known for his portraits of ladies with enigmatic smiles, as he invents the most incongruous machines and tests them on his poor Disciple – a boy who dreams only of a peaceful life, but always ends up covered with cuts and bruises...

In this series

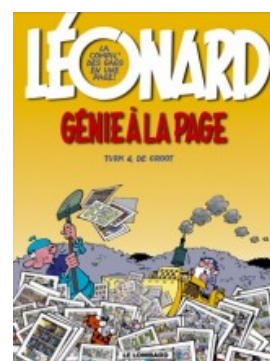

Chat de génie

Le génie est dans le pré !

Je pense donc génie

Génie à la page
