Les Classiques du rire

By Degotte & GREG

Absent from bookshops for the last 25 years, these stories brought laughter the readers of the "Tintin", "Spirou", "Pilote" and "Vaillant" magazines of the 50's, 60's and 70's. Comprising the early work of young artists and writers who have since become legends, these stories have now been re-published by Le Lombard and Dargaud in superb hardback albums of 160 pages. A lively collection comedic masterpieces.

In this series
