VOLUME 2

FORMAT

RELEASE 07/02/2020

For decades, the planet Aegis has been dominated by the Confederation of Northern States. Its superior technology and military have enabled it to exploit the natural resources of the underdeveloped south. A resistance group decides to fight back using a new type of mecha. At first glance they seem rather basic, yet they are fast and well-organized. When the Confederation finally catches one, they discover that the mecha is piloted by a child...
