The dramatic return of a legendary hero from the Tintin series!

In the year 1307, a strange-looking ship leaves France loaded with treasure obtained by the Knights Templar. Five hundred years later, Bruce J. Hawker is preparing to set sail from the Port of London when his ship is boarded by attackers, who capture Bruce and his crew and take them to Canada to work as slaves in a bid to find the Knights' treasure. Bruce decides not only to free his companions, but also to bring the legendary hoard back to England!
