Où tout s'achève

'Who is worthy of opening the book and breaking the seals?' Is there a connection between the death of a young woman who was burned at the stake for heresy in the 13th century, the Sack of Antwerp in 1576 during the mutinous Spanish Fury, and the authorisation to export nuclear materials to India? No... at least, not an obvious one... A series of 5 volumes.

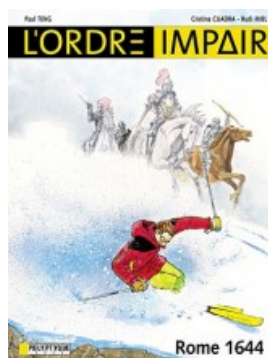

In this series

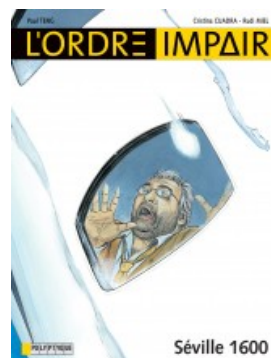

Où tout s'achève

Paris 1791

Rome 1644

Séville 1600
