64

VOLUME
1

FORMAT
237 * 312

RELEASE
07/09/2005

Anne Sibran and Didier Tronchet, whose partnership has already produced the nostalgic "Là-bas", published in the same series, work their own particular alchemy again with this work. Didier Tronchet illustrates Anne Sibran's new novel in his typically colourful style. Text and artwork combine beautifully to create an ambience with a touch of the surreal. Together, they have created a modern fairytale, halfway between childhood memory and terrible adult-too-soon nightmare.

In this series

Ma vie en l'air
