Malice is an 8-year-old girl, dreamy, silly, sweet, and a little bit self-obsessed. Catastrophe is a cat who acts as her guardian angel. It's a risk-taker, a daredevil and — above all — a miniature wrecking ball, and he adores Malice. To prevent the ogre Zuochi from escaping from the magic book where he was imprisoned by Malice's ancestors, our two heroes must confront an army of Zuochi's monsters. Will they manage to foil Zuochi's plans and stop him from transforming the Silk Valley and all its people into a ghost town?
