Jason is a solid, hearty fellow, with all the usual characteristics of the standard-issue virile hero. He is a bounty hunter, and his current mission is to save Tamina, a princess who is being held prisoner by a barbarian tribe determined to offer her to Megaron, so that she may give birth to a new Messiah. But when Jason arrives at the cave where the union between Mila and Megaron is set to take place, it's too late: the princess, utterly fascinated by the bestiality of the swine-headed Minotaur, has willingly given herself up to him!

A true heroic-fantasy saga, which can simultaneously be read on several levels.
