As Far as one can remember, the Rath Family had a history signed by death. Ira seems to have gotten used to the family malediction by transforming it into a life philosophy. A Gifted killer, Ira is merciless. Women children or elderly, no one is saved from Ira's wrath, not even the members of his own family. Nothing Seems to stop the efficacy of this killing machine. Nothing, Except maybe a recently discovered tumour....

In this series

Men of Wrath
