The 'Repérages' collection is the home of a new adventure/history/fantasy series, a category which is still quite a novelty within this collection. This epic series follows the fortunes of a young boy as he moves toward adulthood, and is set in a harsh, often cruel, medieval world. It is the work of two rising new talents, who are already - and quite rightly - in great demand.

In this series

Terre et mère

Le pays de vérité

Les contrées lointaines
