Imagine that you're a young woman : what would you want to look like ? A gorgeous face, am I right ? Full lips, beautiful green eyes and long, silky red hair. And what about your body ? Something spectacular, naturally : tall and slender, like a top model — one of those people who strut down the catwalk with the world at their feet. Of course, it also wouldn't hurt to be intelligent and charming... maybe a little more charming than intelligent, hmm ?

And what if you were a young man? Blond hair, blue eyes and a square jaw, though not too square. A graceful, athletic body, radiating power and sensuality. A rich family would be good, too – after all, that always helps.

Now, imagine that you are this girl, and that fate has placed this boy at your side. Just the two of you, alone in a room. Sounds wonderful, doesn't it ?

And now imagine... that in a few hours, you'll be dead at the hands of strangers.

Do you really think it would still be worth it ?
