May 19, 1971, at the dawn of practice for the Monaco Grand Prix. The Vaillantes didn't get off to a winning start, plagued by engine problems that led to Michel's accident on the Jarama circuit in Spain. An accident that still haunts him... Meanwhile, in Marseille, a mysterious injured American is trying to save his skin. Michel Vaillant doesn't know it, but this drama will soon have an impact on his Grand Prix weekend...

This time, Michel Vaillant takes you on a tour of the legendary Monaco Grand Prix of 1971, while inviting you to explore his doubts as a racing driver.
