Monographie BELVISION

By COUVREUR

Publisher : Le Lombard Genre : **Special Editions**

PAGES

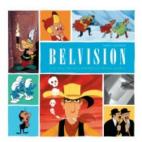

RELEASE 06/12/2013

Founded by Raymond Leblanc, also the founder of the Tintin journal, Belvision soon became the biggest studio in the history of European comics, producing films featuring the greatest heroes of Franco-Belgian comics created by Hergé, Uderzo, Goscinny, Morris, Vandersteen and Peyo. This book traces the Belvision story through interviews and studio archives.

In this series

Monographie Belvision -"Le Hollywood européen du dessin animé"
