An unsigned letter stirs up old memories for the inhabitants of an isolated Breton island, and serves as a reminder that some scores have yet to be settled. Dragged into the thick of it is Mulo, who is about to discover his origins and a terrible family secret.

An animal crime novel in the tradition of Blacksad.

In this series

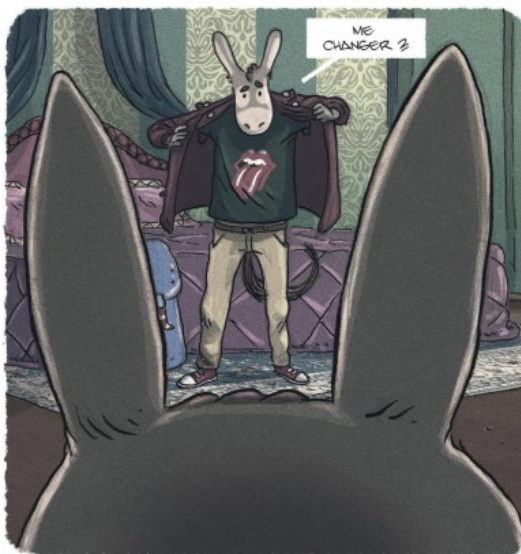

Villégiature

Crachin breton

**“Surveillons nos conversations :
à table en particulier, évitons les sujets dangereux
au point de vue social, moral et religieux.
On oublie trop la présence de ceux qui servent.”**
