Niland, California: among the endless rotting mobile homes and the dry desert dust that gets everywhere, the young boy Jesus, 13 years old, tries his best to make his way through the world without a father figure. Then, one Halloween night, he comes across a strange being in the vacant lot just outside. Invisible to everyone else, "Spooky," with his pumpkin head, certainly seems to have a strong influence on Jesus, making him commit all kinds of criminal acts. And when Jesus's mother discovers the lifeless body of his two-year-old half-brother, he'll have to face up to the police, as all of the evidence points straight to him.
