Nelson - Strip Book

By Bertschy

Publisher: Dupuis ${\tt Genre}: \mathbf{Humor}$

PAGES

02/10/2009

It's Nelson's strip! Nelson was born in the press. Every day, he livens up the daily lives of thousands of adults who find him in their newspapers. With this landscape format, in two-colour fluorescent orange and halftone black, Nelson officially pays tribute to the great American masters of the comic strip.
