The ideal Mother's Day gift! "Your ultrasound is normal, but that doesn't mean your baby will be normal." "Oh! It's a girl! Ah, well, never mind, you'll do better next time." Extracts chosen from gems harvested by the head of the Maman Blues association, and powerfully portrayed by Florence Cestac. Despite the dominant cultural discourse about the joy of being a mother, it isn't always fun and games for these brave ladies! Comments about their physical appearance, ridiculous child-rearing advice and suggestions from their nearest and dearest — not to mention the attempts at humor from medical professionals... Tactlessness, folly or sheer ignorance, here's a collection of the cruelest but most hilarious remarks!
