1906. William is ten years old when his family leaves London for Barellito, a small Italian fishing village. The quiet of the village will not last long, however, thanks to the ripples created by the arrival of William and his family. His own life, too, is about to be upturned, in this remarkable and wondrous new land where he will find new southern landscapes, a new kind of liberty, and above all new friends: Paolo, Nino, and the charming Lisa, united forever by an extraordinary event and a strange object...
