Once upon a time, an ogre came down the mountain.

- I bet he was so big, he made the rooftops shake as he walked!

- No! I'm talking about Anoderogre.

- I bet he shoveled down children like they were popcorn at the movies!

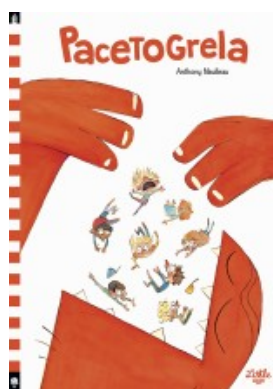

- No! This is about Anoderogre!

- I heard all the moms in town had to learn ninja moves to fight him off!

...

Everyone knows that ogres are mean giants who love nothing more than terrifying young and old alike... Right? But hold on, this is the story of Anoderogre .
