For forty years, readers of the Journal de Spirou followed the adventures of the Patrouille des Castors (the Beaver Patrol), until 1994, when MiTacq, the series' cartoonist, died. The Patrouille des Castors belongs to the heritage of the ninth art and to the collective memory of generations of graphic novel enthusiasts and lovers of wonderful adventures and the scouting world. This is a humanist series, full of lessons on life, mystery and Adventure with a capital 'A'.
