## Petite épopée nippone

By Philippe Buchet

Publisher: Kana

Genre: Biography & Memoirs

**RELEASE** 04/11/2011

Warning: This little notebook doesn't claim to be a comprehensive guide to Japan. Instead, it's a miscellany of sketches and anecdotes — totally personal and subjective — collected over the course of three trips to the Land of the Rising Sun. But if reading it makes you want to know more... so much the better!
