Pico Bogue is the eldest child of a normal family, and when we say 'normal', we mean unique, quirky and occasionally just stark raving mad! Along with his little sister Anna, Pico goes through life with as many certainties as he has questions, making the kind of pertinent observations that only children are capable of. Sometimes challenging, always loveable, there's no end to Pico's mischief, much to the amusement, exasperation and surprise of his long-suffering parents!
