Fifty years have passed since Christin and Mézières published the first Valerian adventure in Pilote magazine. For the special occasion, this issue of the magazine is devoted to the series and is published in a hardcover version, perfect for bookshelves. Contents include essays by comics luminaries, first-hand accounts from the set of the upcoming Valerian film, and previews of upcoming albums and books dedicated to the series.

In this series

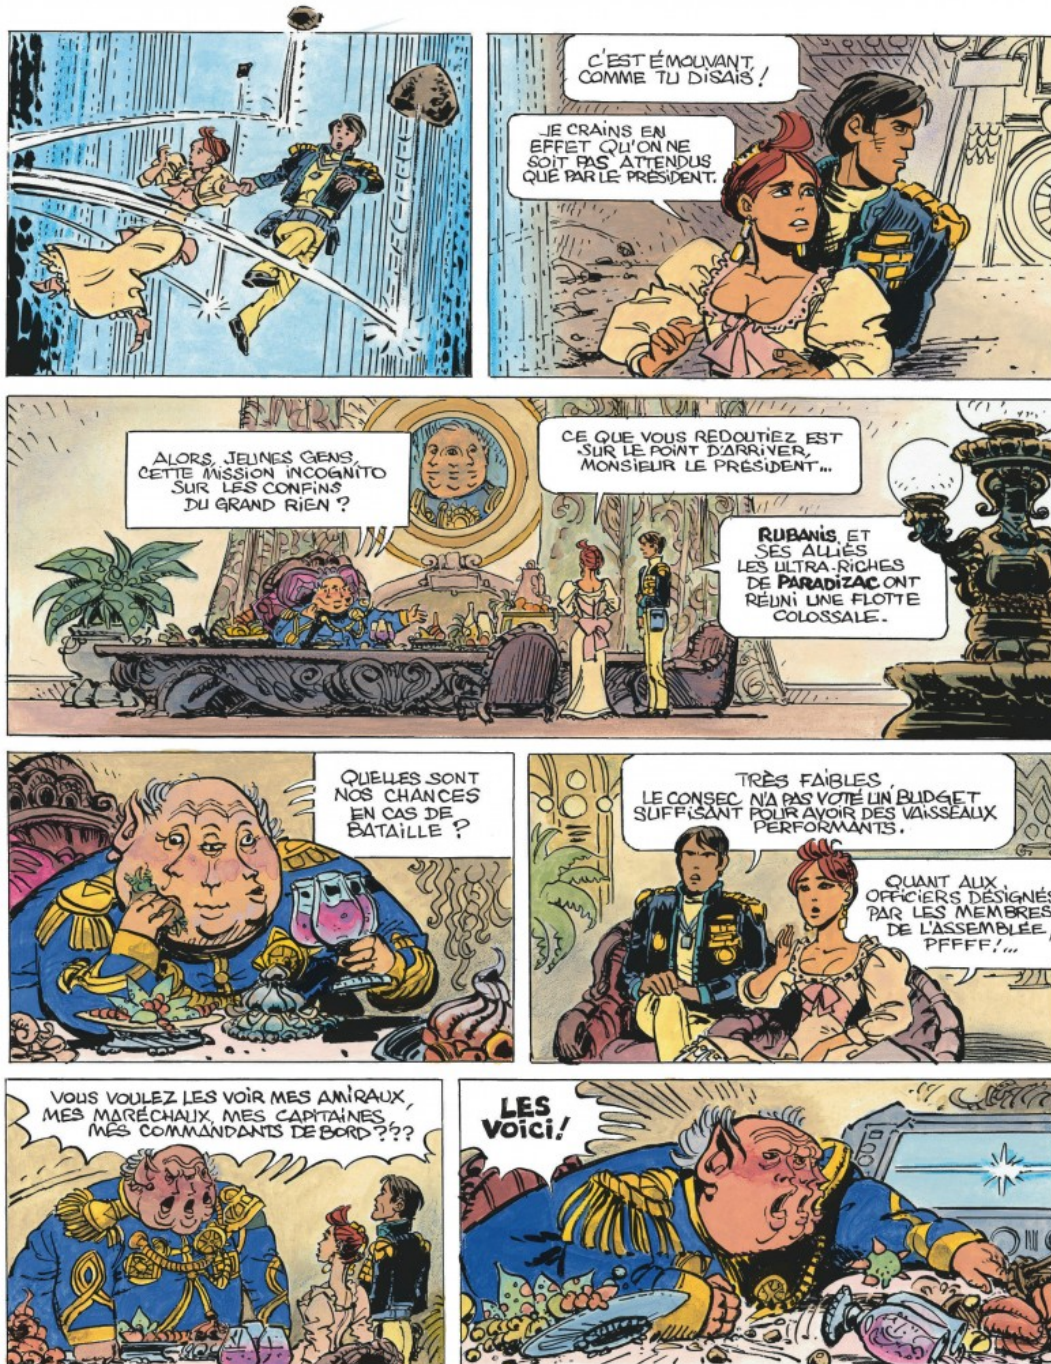

Pilote - Valérien

CHRISTIN / MÉZIÈRES

CHRISTIN | MÉZIÈRES
