Five forty-something women in search of the meaning of life get together to create a café where people can read, practise yoga, and simply have a good time. They call it "Communi-Tea." A feel good comedy reminiscent of the work of the British cartoonist Posy Simmonds in which five contrasting lives come together, making us reflect on what ties us and how we connect with our roots in today's world.

In this series

Pisse-Mémé
