## Professeur Goupil

By Clément & Montel

Publisher: Little Urban Genre: Novels & Story Books

05/01/2024

Goupil is a brilliant researcher who hates other people's company. But that was before! In spite of himself, the solitary fox is about to discover the joys of friendship, love and travel, with the ultimate family experience at the end of the road. Between laughter, emotion and adventure, the journey into the unknown will be made... as a team.
