In the kingdom of Terrelande, young prince Reginald-Edouard finds it increasingly difficult to cope with court protocol... He would like to see the world, to play with other children, and above all not to be alone. In order not to repeat the mistakes of the past, King Coriander decides to send him to live on the Pilanese coast for a year. Under Barnum's protection, Reginald will become Red, an ordinary child.

In this series

Heureux comme un prince
