Billy Rockerson is one of the countless lookalikes of the King. One evening in a bar, zombies invade the place and one of them bites him, shaking up his once uneventful life. A living dead, Billy? The idea disgusts him, but however hard he fights, he feels anger rising in him. And maybe instead of attacking these poor innocent people like all these hungry zombies, he could take the opportunity to settle scores with his past.

A "road movie" with a background of psychobilly: blood, big cars, inviting pin-ups, and of course.. rock'n roll!
