Hell and damnation! The Bruja is missing! When the most powerful witch alive disappears without a trace, Norah, her 17-year-old niece, decides to investigate. But upon entering her aunt's manor, she interrupts a summoning ritual and finds herself face to face with the devil... Or half of him, anyway, as he has been cut in two and is now stuck in a pentagram. Unable to return to Hell without Norah's help, Lucifer agrees to assist her in finding the Bruja—a devilish task when you're the most feared and hated being on the planet!
