Hades, God of the Underworld, is seeking a successor. The prize? His fabled horn of plenty, source of boundless wealth. But to winnow down the applicant pool, Hades has devised a series of challenges as deadly to hopefuls as they are enlightening to readers, taking us all on a tour of the soil: its uses and abuses, riches and resources. Beneath our feet lies a world teeming with life, whose fate is intimately tied with our own. In this fantasy adventure Mathieu Burniat deftly blends pop science and mythology to educate and enthrall on a topic vital to our troubled times.
