The British band The Clash made rock and punk history in just ten years. With their protest punk music, Joe Strummer, Mick Jones, Paul Simonon and Topper Headon, topped the charts with songs like I'm so bored with the USA, White Riot and London's Burning. The Clash's success made them one of the most famous quartets in music and they were inducted into the Rock and Roll Hall of Fame.

Thanks to the Docu-BD which mixes comics and documentary pages, discover all the little stories and the great moments of the band's life!
