In 1870, a terrible storm hits the West Coast of America, killing thousands but leaving survivors with supernatural powers. They create an organization called The Frontier, whose aim is to put an end to the storm. Five of its members, all ex-cons, are sent to the area to make a ritual sacrifice of all surviving inhabitants in a bid to stop the destruction. But they are not the only ones to have supernatural powers, and soon their plan starts to collapse.
