Toah's Ark was in fact a book in which lost souls called "Animas" intended for spreading evil were contained. When the book was opened, evil spread across the human world... In this manga, Toah sets out with his faithful follower J, who resembles a puffed-up pigeon, to capture the Animas and shut them back inside the Ark. But while doing so, his main goal is to free his twin sister, his only surviving relative, from the Animas' clutches.
