Classes are over and Majé, Juno, and little James are waiting to get picked up from school. There it is, with a scarf around its neck: the Turtle-Express, here to take them back home. As they walk along, the little group shares precious moments together, filled with new ideas and discoveries. The children would sure like to walk a bit faster, but nothing can rush the Turtle-Express.

Foulard noué autour de son cou ridé,
la tortue se prépare pour un nouveau départ.
Tic-tac, tic-tac, l'horloge tourne,
mais rien ne presse pour Tortue-express.
Elle partira à quatre heures moins le quart.
Pas plus tôt, pas plus tard.
