The only memories Treasure has of his mother are the stories his father tells him. Well, that, and the beaten-up ship that's been stuck in the harbor for the past 10 years! With his gang of friends, Dico, Yav, and Nisette, they spend their free time trying to imagine where Treasure's mother could be on the high seas. His father tells them that she's a pirate! But when the 8-year-old boy learns that the ship is to be sold to the sinister Gaspard Pivoleurx, he decides to take his gang on a treasure hunt that is far more real than the games they usually play...
