October 1939:

After successfully invading Scapa Flow and sinking the HMS Royal Oak battleship, Günther Prien and his team on board the U-47 suddenly become legends.

Eight patrols later, the U-47 has become the most formidable of the "Grey Wolves", at the head of a

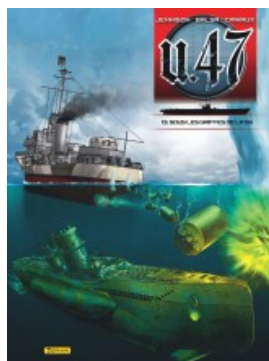

pack of three ships chasing a convoy. And yet, Captain Walters and the crew on his British destroyer

are not ones to let things get them down...

## In this series
