The village of Erechim is located at the final frontier on the planet Tau Ceti 5, which bears a strong resemblance to Earth. It is where civilisation comes to an end. Its 112 inhabitants and their mayor offer a plot of land to anyone who risks coming to settle there. But the "Promised Land" quickly becomes the villagers' worst nightmare. Not only does a certain Ronald Burton, the all powerful farmer, terrorize them, but a mysterious monster has also been in the area for some time. When Jane Jones and her brother John - quite a formidable man despite a physical disability - are hired to bring peace to the village, they don't know what to expect. It turns out that their biggest problem isn't what they thought it would be...
