CHILDREN'S & FAMILY

Publisher : **Dupuis** Genre : **Fantasy & Esoteric**, Humor

How to go from a run-of-the-mill teenager to a high school superstar whose BFF is an inept demon... Marcus isn't smart enough to be a nerd, or athletic enough to be a jock, or cool enough to run with the in-crowd. Marcus is just your average, boring dude... to whom something extraordinary is about to happen! That's what's called a recipe for success (just ask JK Rowling), and readers are sure to connect with this unorthodox hero, through his misadventures as well as his victories—against all odds.
