Present-day northern Iraq. Zere is a young girl who lives in a small Yezidi village. Her daily life revolves around her parents, her cousin, boys, and the knowledge that the Islamic State is not far away. That is until she is abducted by jihadists and sold into slavery... Meanwhile, a strange grocer seems to be engaging in very mysterious business behind closed doors. Mini Ludvin's gentle artwork couples with a hard-hitting storyline by Aurélien Ducoudray. A trilogy following a girl's journey into the war against the Islamic State.
