A Little Light in the Night

I hate going to bed. As soon as the lights are out, darkness takes over. Mysterious shadows creep out from the cracks and crevices of the room, and even from under my bed! Luckily, my little light Zhinü and my doll Puck are here to watch over me. But enough is enough: it's time to get out of bed and turn the lights on!

A dreamlike narrative in which darkness turns the short walk from bed to the light switch into an epic adventure.
